DETAILED ACTION

This Office action is responsive to communication received 05/11/2005 –
Remarks and Terminal Disclaimer.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1-4 and 6-18 are allowable over the prior art references of record in view of applicant's submission of a terminal disclaimer for each of U.S. Patent No. 6,238,302 and U.S. Application No. 10/604,312. The claims further define over the art of record as none of the prior art references show, suggest or render obvious a club head having the claimed insert material in combination with the claimed arrangement of tabs with the particulars of the straight and curved portions of the tabs.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

With respect to applicant's comments about the previously missing IDS data, the correct citation has now been included in the listing of cited references, as evidenced by the inclusion of U.S. Patent No. 5,951,412 on the attached FORM-PTO 892.
